I-I CAN DO IT MYSELF!

Hello, this is Tokumi, and I think Bucap is super cute.
It's my 55th Saki doujin -- that's five-five, isn't it?
Rather than having "Bucap & Sweets" as a theme, they were
really just eating in this doujin.
It's unlikely that third-years would make cookies in home ec class.
I have no idea how old the students in student congress are supposed
to be, so I just made them first-years arbitrarily...
From the shape of their ribbons on their uniforms, it seems unlikely
they're second-years. The kids in student congress are pretty cute...
the vice prez is pretty cute too, and the kaichau (student council
president) is the cutest of all!

And Nodo-chan acting as Ueno-san's little sister is really cute too.
Although Nodo-chan is fundamentally prickly on the outside, the way
she places complete trust in Ueno-san is unbelievably cute.
I have a feeling I've said the same thing before, but since it really
is cute, there's no helping it.

Well then... thank you very much for having accompanied
me this far. I would be really happy if we could meet again.

Tokumi Yuiko

AH...
I'M SO HUNGRY...

I'M JUST HUNGRY FOR YOUR LOVE~
GEEZ...
WHAT KIND OF FOOD APPETITE IS THAT?
